

SHREDDING EQUIPMENT

CONSOLES

Our executive console works great in an office environment where paper is collected in medium to large volume.

BINS

Our standard bin sizes are 96 Gallon and 64 Gallon which are great for mail rooms, warehouses, or other areas where space is not a constraint and a large volume of paper is collected.

SHREDINATOR

Our newest container option in our inventory. Fits comfortably under desks and is a locked container.

16 Griffen Street
Poughquag, NY 12570

RELIABLE SHREDDING MADE SIMPLE

SECURE YOUR PEACE OF MIND

New York: 1-844-SHRED-000

"The identity protection company"

OUR SERVICES

From document shredding to hard drive destruction, we provide businesses and homeowners a simple, secure, stress-free way to dispose of confidential information.

CALL FOR A FREE QUOTE: 1-844-SHRED-00

DOCUMENT SHREDDING

With same or next day service, on and off-site pickups, our professional shredding ensures absolute protection of your confidential information.

HARD DRIVE DESTRUCTION

Our team can destroy hard drives at your location so you can witness the actual process. We provide a certificate of destruction for your records.

PRODUCT DESTRUCTION

We can shred clothing, shoes, or other products that are end of life. Our equipment is fast, secure and mobile.

SECURE X-RAY DESTRUCTION

As your one stop for secured document destruction, we can assist you with shredding and/or recycling different types of x-ray films.

MEDICAL WASTE DISPOSAL

We also offer medical waste disposal through our sister company RedBags.com.

100% COMPLIANT & EARTH-FRIENDLY

We take great care in ensuring we are up to date on all compliance laws because we understand identity theft and government enforcement are on the rise. We help protect businesses from breeches and fines.
